
Adhesive Tees for floor marking

Reference : 27

Description :

Adhesive T-markers for effective and durable floor marking Adhesive T-markers for floor marking are signaling devices designed to visually delineate work areas, traffic lanes, or storage spaces in industrial, logistics, or commercial environments. They offer a quick and effective alternative to paint, without the hassle of drying time or toxic fumes. Technical specifications:- Dimensions: 200 mm wide x 150 mm high (delivered in packs of 30)

- Qualities: Different adhesive qualities meet the requirements of your workshops to ensure the best possible adhesion of your markings. For optimal effectiveness, choose your adhesive edge according to your work environment (humid environment, floor type, etc.).
- Medium (0.40 mm thick): Ideal compromise between flexibility and durability.
- Reinforced (0.76 mm thick): Resistant to swiveling casters, suitable for new or renovated floors.
- Extra (0.84 mm thick): Designed for the most demanding environments, with tapered edges to reduce tripping hazards.
- Colors: 6 colors available for optimal visual identification.
- Material: Adhesive with non-slip coating to reduce slipping hazards.
- Easy application and replacement: Quick installation without the need for special tools, easy replacement if worn.

User benefits:- Optimized floor markings: Adhesive T-markers effectively structure the workspace by creating clear visual cues. They facilitate organization and limit the risk of errors in managing production and storage flows.

- Improved safety: Proper floor markings reduce the risk of accidents by demarcating hazardous areas and providing clear guidance for employees and vehicles.
- Save time and increase productivity: Unlike painting, applying adhesive T-markers does not require any downtime in work areas. They are ready to use immediately after installation.

Our products are designed to combine quality, durability, and ease of installation. We offer a wide range of floor markings with shapes and colors that comply with industrial signage standards, ensuring effective and long-lasting marking. Contact us today to optimize the signage in your spaces with our high-quality adhesive T-pieces!

Benefits :

- Perfectly adapted to smooth floors and harsh environments
- Resistant to frequent passage and wear
- Provides an orderly and secure image in production workshops

- Ideal for identifying workspaces and ensuring compliance with company organization at a lower cost
- Easy to install
