

Indoor display case | Magnetic indoor display case with sliding doors

Reference : 192

Description :

- Sliding PMMA door. Ideal for narrower corridors or high-traffic locations
- Robust, natural-finish anodized aluminium frame
- Lacquered, sheet steel magnetic back with dry-wipe cleaning
- To guarantee user safety and to protect the environment, this display window is NF Education, NF Collectivité, NF Environnement, and PEFC certified
- Comes with 5 sets of interchangeable corners in classic (grey and red) and more modern (blue, green, yellow) colours to match with the colours of your logo or communication layout
- Identical or different locks to be specified when ordering, up to a limit of 10

Benefits :

- Ideal indoor display case for your reception halls, offices or workshops.
- Showcase with sliding doors adapted for busy places.
- Lockable to protect your company's professional and mandatory information.
- The colour corners provided allow you to quickly identify the type of information inside.
