

DATA SHEET

Transparent KANBAN cards with clip | KANBAN CARD WITH CLIP

Reference: 268

Description:

The revolutionary and highly original LEANFLASH® range is based on the use of a versatile card of unique dimensions for multi-use. The same map can be used for different KANBAN follow-ups.

Benefits:

- This transparent universal card with unique dimensions of 70 x 100 mm is practical with its clip fastening.
- Versatile and multi-purpose, customize your card with ease according to your needs (product references, barcodes, suppliers, etc.).
- For even greater simplicity, print your information on paper directly in the right format using SESA'PRINT.
