

Aluminium bracket to mount on work surface

Reference : 352

Description :

Aluminium bracket to mount on work surface H 800 mm

Benefits :

- This aluminium bracket with grooves on 4 sides allows you to attach the document holder of your choice: storage box for filing cabinets, procedure display stand, etc.
- This support optimizes the space requirement on your workstation, while providing the necessary elements for its proper operation.
- Easy to install, this bracket fits on all work surfaces, whether in your production workshops or in your offices!
