

## Magnetic sliding reading strip | SLIDING READING RULER

*Reference : 482*

### Description :

The sliding reading ruler in transparent PVC applies to all metal surfaces. The red line makes it easier to read a plan or document along the two x and y axes. - Dimensions: W 980 x H 930 mm

### Benefits :

- Held by a magnetic holder, the ruler slides easily along its entire length (L 980 mm).
- The red net makes it easier to read a planning or document in both x and y axes.
- Fits on all magnetic metal surfaces.
- Ideal tool for project follow-up and review with your teams.
