
Towable trolley on wheels

Reference : 577

Description :

Towable trolley on wheels for 23.62 x 15.75 Inch bins

Benefits :

- This trolley is designed to transport standard 600 x 400 mm bins and can accommodate a load of up to 180 kg.
- Using the drawbar, you can attach several trolleys in small trains to facilitate the supply of production lines.
- Perfectly adapts to any type of traffic lane due to its ideal width.
