

Aluminum support for E-MEETING

Reference : 626

Description :

This aluminium support allows you to fix your interactive E-MEETING touch screen in order to be able to move it thanks to the wheels integrated in the support. Thanks to the aluminium profile, you can also add a shelf on a swivel arm (optional).

Benefits :

- Ideal to avoid drilling holes in your walls and wall mounting.
- Essential accessory for your interactive E-MEETING touch screen.
- Tablet on swivel arm (optional) to place your laptop, pens or documents without cluttering up your workspace.
- Reduced floor space requirement.
- Perfect stability.
- Aluminium design that blends into all environments (office / production).
