

## Magnetic plate for monitoring indicators 31 days | VISIOFLASH SATISFACTION

Reference : 14863

### Description :

The set allows to visualize per month the performance in terms of quality (good parts, complaints, rejects) and to identify the trend in relation to an objective with the sun/cloud symbols.

### Benefits :

- Allows you to instantly view your monthly performance and monitor daily changes.
- A visual quality performance indicator that provides a quick interpretation of results and trends.
- Magnetic silkscreen printing with dry erasable felt-writing quality.
- Easily interchangeable title in the transparent PVC holder.
- Tip: Create your labels quickly and easily with SESA PRINT.
