

Adhesive pictogram on the floor Pedestrian silhouette | Adhesive pictogram Pedestrian silhouette

Reference : 14959

Description :

This adhesive floor marker pictogram indicates the zones where pedestrians should walk to keep them safe.

Benefits :

- Guarantees effective pedestrian safety in corridors
- Conveys a tidy and secure image on production shop floors
- Thanks to the MEDIUM quality, these anti-slip adhesive pictograms are highly resistant and durable over time
- These easy-to-apply adhesive pictograms adapt to smooth, porous and irregular floors
