

Protective wall on base | Protective wall

Reference : 15561

Description :

Protect your employees from droplet splashes with this transparent PMMA wall system. Installation is quick and immediate: simply assemble the glass and legs and place it on a counter or a desk. The 680 x 900 mm Plexiglas protective glass has an opening at the bottom for exchanging documents, goods, means of payment, etc.

Benefits :

- Simple and very quick installation of the glass protection
- Limits direct contact: a bulwark against bacteria and viral diseases
- Reassure and protect both employees and customers alike
