

Protective wall fixing by chains | Protective wall

Reference : 15563

Description :

Protect your employees from droplet splashes with this transparent PMMA wall system. Installation is quick and immediate: this 680 x 880 mm Plexiglas protection glass is installed with chains and S-hooks.

Benefits :

- Simple and very quick installation of the glass protection
- Limits direct contact: a bulwark against bacteria and viral diseases
- Reassure and protect both employees and customers alike
