

ESD workshop chair | ESD WORKSHOP SEAT CLASSIC

Reference : 15579

Description :

Stability with the 5-star base. Polyurethane seat (washable, resistant to oils, solvents, shocks, cutting tools). Height adjustable by cylinder. Adjustable backrest, adjustable in height and depth.

Benefits :

- Ensures a good seat while meeting the maximum requirements imposed by antistatic workstations.
- Very easy to wash.
- Seat height adjustable by gas spring with simple adjustment from 440 to 590 mm.
- The backrest can be adjusted in height thanks to its integrated handle.
- The 5-star base with flat ends in profiled steel tubes guarantees great stability.
- Overall total dissipation system ensures reliable discharge.
