
Electrostatic post-its | ELECTROSTATIC POST.IT

Reference : 15609

Description :

The electrostatic post-it is a vital tool for more interesting, inspiring and productive collaboration. SESA SYSTEMS adds a touch of magic to each meeting with these coloured electrostatic post-its which affix to any smooth surface. The post-its can be written on again and again, and thanks to their electrostatic adhesion, they can be moved, repositioned and rearranged really easily. Double-sided use Dimensions: 100 x 200 mm Assorted colours (white, yellow, blue, pink, green)

Benefits :

- Easily adheres to any surface without adhesive
- Environmentally friendly - fully recyclable
- Can be moved (slid) or repositioned easily
- Catch the eye and replace self-adhesive notes
