

**Artificial palm tree H 1500 mm***Reference : 18678***Description :**

Bring a touch of green to your decoration with this artificial palm tree H 1500 mm. High quality, this artificial plant offers a realistic appearance reminiscent of the natural plant, but without the maintenance constraints. - Composed of 6 main stems and 28 leaves of different sizes

- PVC pot with a diameter of 150 mm and a height of 130 mm
- Suitable for indoor and outdoor use. Here are some instructions for outdoor installation: make sure to pierce the original pot to allow water to flow. It must be fixed to the decorative tray by creating drainage to avoid any stagnation of water at the foot of the plant

Benefits :

- High quality artificial plant ideal for both indoor and outdoor use.
- Elegant and pleasant decoration for your communication spaces.
- Ideal for places and locations where daylight is rare or inaccessible.
- Very realistic flowers.
